

Blue Mountain
Quarter Midget Association Inc.

BERLINSVILLE, PA

For the year of 2011 B.M.Q.M.A. has mandated the use of the Raceceiver radio system for all Drivers.

Since the track is mandating their use, the Board has decided to issue 1 per Active Driver at the price of \$40.00 each. This will be part of the 2011 Drivers Package at the Banquet under the condition that Active Member/Driver fulfills all minimum requirements for a package.

If an Active Member/Driver already owns the required Raceceiver, the \$40.00 will be added to your Driver's Package at the Banquet, if all minimum requirements have been met.

All other needed receivers will be sold to B.M.Q.M.A. Members only at the track cost of \$80.00.
